The first dialogue on May 5 took stock of Africa’s progress toward meeting continental and global nutrition and food security targets, remaining gaps and challenges, and highlight Senegal’s successful experience in reducing malnutrition and the importance of adopting nutrition sensitive programs, and applying food systems, multi-sectoral, and inter-disciplinary approaches to deliver more nutritious and healthy diets. The dialogue featured a keynote presentation and an expert panel to share different perspectives on the challenges and opportunities to enable African countries to meet nutrition and food security goals and ensure healthy and sustainable diets for all.
